

# JUNE 16<sup>th</sup>

## The Olympic Games (Part One) - White City

**CHEQUES AND FOOD CHOICES TO ARRIVE BY Sun 12<sup>th</sup> May**

To celebrate this year's Olympic Games in Paris, we bring you two walks that highlight how the Games have changed. We begin in 1908 with London stepping into the breach and saving the Games from disaster. Why here? How was it organised? Who participated and in which sports? We'll visit a beautiful Japanese garden and hear the story of how the marathon became to be today's recognised distance. And how to end a sporting walk - why, we will cross the finishing line of course, and see the winners' names on the wall.
