**Divorced, Beheaded, Died - and Survived - Mystery location
you are asked to guess?????**

CHEQUES AND FOOD CHOICES TO ARRIVE BY Sun 14th April

So, this one is a mystery tour and you can all guess where we are going - but we warn you, it's far from obvious. We'll certainly (and obviously) have connections to Henry VIII but we'll also have sporting history, a modern artist and a medieval church to enjoy. For anyone who wants another clue? The Ending will hopefully raise a laugh! For anyone who wants to guess where we are heading on this one, please email me at dewdneyk@btinternet.com. First to get there wins a prize.
