

# OCTOBER 13<sup>th</sup>

## A return to Street Art – Shoreditch

**CHEQUES AND FOOD CHOICES TO ARRIVE BY Sun 22<sup>nd</sup> September**

It's back by popular request although we will not attempt to walk down the overcrowded Brick Lane. This time we will concentrate on the Shoreditch area of London. What will we see? Well, I can't give you the artists or the pieces because what is there now will have changed by the autumn but I can promise you colour and scale. From tiny pieces to monumental, from paint to stencils, from newbies trying out their hands for the first time to internationally recognised artists. And for those who still think this is just graffiti then give it a go and prepare to be amazed. It can't help but put a smile on your face.
