

The next coffee morning will be held on Sunday 7th June. At Cotey's on the A1. 10.00 -12.00

To help people find it, here is the following information:

Cotey`s is on the southbound A1 about a mile from the end of the motorway Junction 10 for Stotfold. The restaurant is directly opposite the Tudor Oaks (now called the Malaysian Courtyard).. To get there you must travel up the A1 to the turning for Langford (by the water tower at the top of the hill). At the small roundabout turn right, over the A1 to the junction where you turn left and left again onto the A1 southbound, Cotey`s is just over a mile down the road. Start to indicate at the road signed Hinxworth and the entrance is about 100 yards further on.

This is a new venue to us and will be arranged slightly differently.

The plan is a buffet style breakfast will be provided, (subject to members giving me some idea of what they would like to order).

The manager has asked if we can provide approximate numbers and, if possible, what breakfast members would like. I know this is a bit different to usual and could be difficult but it should mean that members don`t have to wait too long for their food.

I will be asking for pre-booked food at the beginning of next week, in the meantime, please look at the menu below:
